Att: Reports Analysis

To whom it may concern:

The April 15, 2010 campaign filing reflected two obligations as settled. As per my conversation with your office, I am submitting correspondence regarding these two obligations for your records.

1. Carolyn Cole – \$150 was recorded as an outstanding obligation on the 2008 Year-End report (due January 31) as an estimate in anticipation of receiving proper documentation for cell phone/blackberry charges related to the campaign that were above Ms. Cole's monthly cell phone bill. Appropriate documentation has not been provided. Therefore, the committee no longer acknowledges this as an obligation.

Attached is the original invoice provided to the campaign from C. Cole dated 1/27/09, an e-mail from the campaign to C. Cole dated 2/1/09; and a letter to C. Cole dated 1/29/10 which was sent by registered mail to her most recent address. The return receipt was not received.

2. An invoice in the amount of \$1595.91 was submitted by R. Botfeld, the Campaign Manager, on 7/7/2006 for various expenses. The campaign recorded the amount as an outstanding obligation on the July 15, 2006 quarterly. The campaign requested the associated receipts numerous times verbally and by letter on 9/18/06, 10/13/06, 10/19/06 and most recently on 1/29/10. Neither receipts to justify the expenses, nor information reflecting information required for filing with the FEC were provided. Therefore, the campaign no longer acknowledges this as an obligation.

After a discussion with your office, we realized that it would be inappropriate to reallocate the amount as an in-kind contribution, as indicated in the correspondence with Mr. Botfeld, since the campaign has no proof of the expenses.

Attached is the original invoice, copies of the correspondence mentioned above and a Certified Mail Receipt for the 1/29/2010 letter.

Please let me know if I need to take any further action on either of these items.

Sincerely,

  
Alice Harrison
